Dear Mr. Allison:

I will be happy to be a panelist at the American Bar Association's National Institute on "The United States and the Promotion of International Human Rights: The Roles of Government, the Private Sector and Their Lawyers" on April 26, 1978. The panel on which I am to participate, "The Congress and the Executive as the Focus for Domestic Legal Activity," sounds good.

I have discussed with Doug Wachholz the change in time and will be submitting a paper to you very shortly.

My sincere apologies for the confusion; I had your meeting mixed up with another one.

With kindest regards, I am,

Sincerely,

Patricia M. Derian
Assistant Secretary for
Human Rights and
Humanitarian Affairs
